

PRINT MEDIA NEWS RELEASE (8/30/2017):

Everyone is invited to come to enjoy the Caverns Cultural Celebration at Florida Caverns State Park, on Friday October 6th for school day and Saturday October 7th for the general public.

The event presents the way of life and the life and times of people who have used the land that is now the Florida Caverns park, from the Native Americans who hunted, fished, and utilized the area caves, to the CCC and WPA who developed the park during the New Deal Era.

There will be first-person demonstrations and rural life exhibits as well as children's games and food vendors.

This annual event is made possible through the work of the volunteers of the Friends of Florida Caverns State Park and the kind support and donations from businesses and individuals in the community. Information on how to get involved with the Friends Park Support organization can be found at the website FriendsOfFloridaCaverns.org/membership.html
